The deputy commissioner,
Dhaka

Subject: application for relief for the flood-affected people.

Dear Sir,

We, the inhabitants of Homna Upazila, would like to draw your kind attention to the flood that has recently visited this area. The fold has broken all the records of the past. The miseries of the affected people know no bounds. Thousands of people have become homeless. Many of them have taken shelter of rooftops. Boats and embankments. They are now living under the open sky without food or cloth. Cholera, Diarrhea, typhoid, dysentery etc... have broken out in an epidemic form. Crops have been greatly damaged. The scone is very pathetic. The affected people are badly in need of foods, shelters, clothes, medicines, pure water etc... immediately. reliefs from the govt. and NGO,s are too little to meet the huge demand. So, more relief goods are badly needed for distressed people.

In the above circumstances, we earnestly request you to send sufficient relief good to the flood-affected people of this area immediately to lessen their sufferings and oblige thereby.

Yours truly,
The inhabitants of Dulalpur union.
