Subject: Prayer for setting up a canteen on the college campus.

Dear Sir,

We have the honor to state that our college is one of the best colleges in our town. Students come to this college from distant places. So, they have to leave their residences early. They have to stay quite a long time at college. To pass this long time we need a good tiffin. But for want of a canteen, they have to take tiffin from roadside restaurants. It is both costly and unhygienic. Moreover, these restaurants are the haunts of antisocial people. So, the girls' students cannot go there to take tiffin. Setting up a canteen will go along to meet our needs.

We, therefore, pray that you would be kind enough to make the necessary steps to set up a canteen in our college campus to remove the suffering of the student.

We remain,

Sir,
