

Application for The Construction/Repair of A Bridge

Question: Suppose a big canal runs along with your village. People have to cross it every day but they face many problems. Only construction of a bridge can solve the problem.

Now write an application to the Chairman of your Union Council for the construction of a bridge over the canal in your locality.

Answer:

15 June 2001

The Chairman,
Hashara Union Parishad,
Sreenagar, Munshiganj.

Subject: Application for The Construction/Repair of A Bridge

Sir,

I, on behalf of the people of Hashara, beg to draw your attention to the fact that there runs an important canal along with our village. It is near our college and market. Many people including students have to cross this canal every day. During dry season boats are not available. The only way to cross the canal is on foot. But it is impossible for children and girl students to cross the canal on foot because the canal has become deep and wide nowadays. So, they cannot attend college for several months. Only a small bridge over the canal can remove all these problems.

In the circumstances stated above, I, therefore, pray and hope that you would take necessary steps to construct/repair a bridge over the canal and oblige thereby.

Yours faithfully,
Sadique
