Dear Father,

I hope you are fine. I am also fine. You will be glad to know that our class is going on the excursion. The class has decided to go to coat-bari, a historic place. Our class teacher, Mazhar also will accompany us. I know that excursion is a part and parcel of education. It increases our knowledge. It is a great recreation too. I am interested to go on an excursion. I hope I will enjoy it very much and learn many things there. I do not want to miss the chance. But I need your permission.

I am waiting for your permission.

Your loving son

Mohsin
