

Composition on Newspaper Or, Importance of Reading Newspaper

Introduction: man is naturally curious to know about various events of the world. The newspaper is the best medium to satisfy this curiosity. It is a paper that carries news to us. It tells us what is happening at home and abroad. It is the store-house of knowledge and information.

History: the newspaper was first published in China" the Indian Gazette" published in 1774 was the printed newspaper of this sub-continent. The first bangle newspaper was the" Samachar Darpan."

Kinds of the newspaper: there are many kinds of newspapers. They are dailies, weeklies, monthlies, quarterlies, pictorials etc. The daily newspapers, they are dailies, weeklies, monthlies, quarterlies, pictorials etc. The daily newspapers contain the news of daily affairs of home and abroad. The daily Ittafuq, the Janakantha, Daily Inqilab, the Jugantor, the Prothom Alo, the Bangladesh Observer and the Bangladesh times are the main daily newspapers in Bangladesh. The Bichitra, the Bartman Dinkal, and the Chaya Chnda are the main weekly magazines.

Importance/ usefulness: newspaper plays a vital role in modern civitations. We cannot think of a modern world without it. It is wary useful to all sections of people. Through it, we can learn about all the important things what happen in the world within twenty-four hours. Reports of market conditions games and sports, the political and economic situation of the country come to us through it every day. It highlights the news of various interest and the views of important personalities.

The newspaper has educative value. Mere bookish knowledge is not

sufficient in this complete world. A newspaper helps one enrich one's general knowledge. A man who does not read newspapers is like a frog in a narrow well. Being ignorant of the current affairs, he can't take part in the talks and discussions in an enlightened society and thus he feels like a fish out of water.

Demerits: a newspaper is not altogether free from evils. It has some demerits also. Sometimes it publishes false or partisan news. It excites public feelings.

Conclusion: in spite of its defects newspaper is the most useful thing in modern life. We cannot think of a day without it. It is a looking glass of the modern worker. So we should read Newspaper regularly.
