**Answer:** A dialogue between myself and my friend Raisa about the necessity of reading newspaper:

Myself: Hi Raisa! how are you?

Raisa: I'm pretty well and you?

Myself: I'm also fine. Well, Raisa, what do you think about the necessity of reading the newspaper?

Raisa: I think it is indispensable for a modern man to read the newspaper daily. It can help us in various ways, can't it?

Myself: Yes, we get various types of news in the newspaper; for instance, current affairs trade and commerce, literature, games, and sports, etc.

Raisa: You're right. To adjust to modern civilization, we have no substitute for the reading newspaper.

Myself: But you should keep in mind that sometimes false news leads to many mishaps.

Raisa: Of course. But there is nothing with unmixed blessing in this world. However, reading a newspaper is essential for all and it's true.

Myself: Thank you. See you again. Good-bye.

Raisa: Good-bye.

## Dialogue Between Myself and My Friend About the Necessity of Reading Newspaper

**Question:** The necessity of reading a newspaper is quite vast. Now, write a dialogue between you and your friend about the necessity of reading a Newspaper.

**Answer:** A dialogue between Anis (myself) and Koly (my friend) about the necessity of reading newspaper:

Anis: Hello Koly, do you read any newspaper regularly?

Koly: Oh, yes. I can't think of a single day without a newspaper.

Anis: What's the newspaper you read regularly?

Koly: Well, I skim through a number of newspapers actually. But I read one with much importance. It's 'The Independence'.

Anis: It's nice. Do you think reading the newspaper regularly is essential?

Koly: Certainly. In fact, it's a storehouse of general knowledge.

Anis: Do you think the newspaper plays any role in presenting the day

to day world?

Koly: Yes. I can learn about the current affairs of the world.

Anis: Then it certainly presents the news and views on world trade and commerce, films, games, and sports, etc.

Koly: Yes, you're right. These all are available in a newspaper. Again, there're some other entertaining as well as educative elements in newspapers like a comic, puzzle, tips for life and lifestyle, etc.

Anis: You're right indeed. What a great variety of elements a newspaper contains!

Koly: It'd be better if you see what's not there in a newspaper.

Anis: I agree with you. Now, what's your suggestion for others regarding this?

Koly: I just want to say that everyone should read at least one newspaper daily.

Anis: Thank you very much.

Koly: It's Ok. Thank you.
