**Question:** Suppose, you are Karim and your friend is Nayeem. Now, write dialogue in 100 words between you and your friend about your aim in life.

**Answer:** A dialogue between myself (Karim) and my friend Nayeem on our aim in life:

Myself: Good morning, Nayeem! How are you?

Nayeem: Good morning. Thanks. I am nice and you?

Myself: I am also fine. I am very glad about your brilliant result in the JSC Examination. Would you tell me about your aim in life?

Nayeem: I have already made up my mind to study law. I'll join politics after completing my studies. I wish to serve my countrymen by driving away restless politics.

Myself: All these are true. But it is really a difficult task.

Nayeem: You're right. But don't forget that nothing is impossible for me. A patriotic leader can stamp out all kinds of corruption and injustice from society. Please, bless for me.

Myself: I am very glad about this. I am sure that we will be able to eradicate evil politics from the country.

Nayeem: Thanks- a lot. See you again. No more today. Good-bye!

Myself: You are most welcome. Good-bye!
