

# Dialogue Between Two Friends About How Load-Shedding Disturbs Their Study

**Question:** Suppose, you are Runa, an SSC candidate. Regular electricity interruption has got on your nerves nowadays. Now, write a dialogue between you and your friend Sourav about how this load-shedding is interrupting your everyday study.

**Answer:** A dialogue between Runa and Sourav about how load-shedding disturbs their study:

Sourav: Anything wrong, Runa? You look gloomy now. But I found you glad after all earlier examinations.

Runa: Shit! I lost my track in the hall!

Sourav: Strange! It's not like you. What's the point, please?

Runa: It's intolerable load-shedding.

Sourav: Load-shedding! It's making you lose your track in the exam hall!

Runa: Yes, that's it.

Sourav: But how? I don't understand.

Runa: 'Till night appears and the electricity does the opposite.

Sourav: Truly speaking that's the regular scene.

Runa: Frequent load-shedding is seriously interrupting my every day, study. I don't know what to do.

Sourav: I see. I also face the same problem. It's almost intolerable.

Runs: What should we e do in such a situation?

Sourav: To be frank, the govt. as well as we, all have much to do regarding this The govt. should take steps to increase the production of electricity and develop a better electricity supply system.

Runa: And we. on our part. should stop the misuse of electricity. Only then we can hope for the better.

Sourav: I agree with you. Wish you all the best.

Runa: Thank you very much.
