

# Dialogue Between Two Friends About the Advantages and Disadvantages of Village Life and City Life

**Question:** Karim and Rahim are two friends. Karim lives in the village and Rahim in a city. Now, write a dialogue between the two friends on the advantages and disadvantages of village life and city life.

**Answer:** A dialogue between Karim and Rahim about the advantages and disadvantages of village life and city life:

Karim: Hi Rahim, how're you?

Rahim: Fine. Thanks, and you?

Karim: I'm fine too. What about your city life?

Rahim: Oh, it's really exciting. Educational institutions, medical facilities and sources of recreation-all are available at my hand. Isn't it dandy?

Karim: Really.

Rahim: Now, what about your village life?

Karim: I'm very happy with my village life. There's no chaos and anxiety. Besides, here the environment is free from pollution.

Rahim: You're quite right.

Karim: I see, you're suffering from sound pollution and air pollution severely.

Rahim: You're right. But you also have problems with good schooling and medical care in the village.

Karim: Yes, to some extent, you're right also. I think we all should take steps to remove the disadvantages of both village and city lives.

Rahim: I agree with you. Thank you very much.

Karim: Thank you. too.
