

Dialogue Between You and A Foreigner on Introducing Yourself

Question: Suppose you are Joy and you want to talk with a foreigner whom you don't know. Now make a request dialogue and response between you and the foreigner.

Answer:

Joy: Hello! May I introduce myself? I'm Joy.

Foreigner: Hi, I am John Smith. Are you waiting for the bus?

Joy: Oh, yes. From which country have you come?

Foreigner: I'm from Australia.

Joy: Have you come here for travelling?

Foreigner: Oh, no. I'm working with an NGO here. I have to travel to many places in Bangladesh for doing my work and I'm enjoying the friendliness of Bangladeshis too.

Joy: How do you feel here?

Foreigner: I feel great because your country is very beautiful and the natural scenery of your country attracts me more.

Joy: What's about your country?

Foreigner: Oh, sure! Our country is also beautiful but it is not as beautiful as yours.

Joy: Well, my bus has come. It's nice to meet you. Bye!

Foreigner: Nice to meet you, too. Bye.
