

# Dialogue Between You and An Unknown Person on Opening the Door

**Question:** Write a dialogue between you and an unknown person about opening your door.

**Answer:**

**Stranger:** Excuse me! Would you please open the door?

**Myself:** Yes! Who are you dear?

**Stranger:** I am Jahid. I am a student of Ideal School.

**Myself:** Whom do you want?

**Stranger:** Is it Shihab's residence?

**Myself:** Which Shihab! Do you have any idea about his family?

**Stranger:** Oh! I think his father is a senior officer of Dhaka Bank. His elder brother's name is Sajib and he is a student of Dhaka College.

**Myself:** Yes. I have known him. Unfortunately, they are not present here because yesterday they went to their native village. Okay, come inside the gate.

**Stranger:** Sorry, brother. I have emergency work. So, I have to leave now. You can give the letter to Shihab and tell him to meet with me.

**Myself:** Ok, dear.

Stranger: Thank you for your help.

Myself: Nothing to mention.

Stranger: Bye.

Myself: Bye.
