

Describe the Chart of a Final Examination Results

Question: This is the results of Eshan's final examination. Now describe the chart in 120 words.

Answer: This graph shows Eshan's scores in his term-end exam in seven specific subjects— Bengali, English, Mathematics, H. Maths, Physics, Chemistry and Biology. He has secured 80 in Bengali, 82 in English 95 in Mathematics, 100 in H. Maths, 75 in Physics, 80 in Chemistry and 70 in Biology. He got the highest score as 100 in H. Maths and the lowest score in Biology. He got the same marks in Bengali and Chemistry. The graph shows that Eshan is good at H. Math, Mathematics, English, Bengali and Chemistry. But he is weak in Biology and Physics.
