Subject: To know your arrival

Hi Rocky!

How are you? I am very excited to know that you are coming to Bangladesh to spend the winter vacation. We haven't met for so long! Have you already fixed your schedule? We must spend a good time visiting different places of tourist attractions here. I have a plan to visit St. Martin's Island. If you wish we will go to Paharpur of Naogaon, Mahasthangar at Bogra, Mainamati at Comilla and Kuakata of Patuakhali. I am sure you will enjoy the tours very much. Please don't forget to let me know about your arrival date and time in advance.

See you soon!

Regards,

Farhana
