Subject: How I spent my last summer vacation

Dear Amirul,

How are you? You e-mailed me to know how I spent the last summer vacation. I must tell you that it was wonderful. I went to my village 'Joynagar' during this vacation. You know our village stands by a river. Along with my friends I swam in the river and caught fish. I picked ripe mangoes from the orchard. I also ate my favorite fruit litchi to my heart's content. My cousins and I played many indoor and outdoor games. We had a lot of fun. After a week's stay there, I returned to Dhaka. But the memory of this vacation will remain ever fresh in my heart.

No more today. Email me telling how you enjoyed your summer vacation.

Yours ever.

Rahul
