Dear son,

I received your letter yesterday. In your letter, you wanted to know about my hobby. Now I am telling you about this.

My favorite hobby is gardening. It gives me much pleasure. I have a flower garden in front of my reading room. Whenever I get time, I work in it. I water the plants regularly. The garden looks very charming. Every day I work in the garden. On holiday I work more. My joys know no bounds when I see the flowers in full bloom. There are many kinds of flowers in my garden. They are symbols of beauty.

No more today. With the best wishes to you.

Your loving friend
