

## Paragraph on A Good Teacher

A man or a woman who teaches the students in any educational institution is called a teacher. A teacher, especially a good or an ideal teacher, is one of the most important people in a country. He is a valuable asset to any country. He is the backbone of a nation. A good teacher is a friend, philosopher, and guide to the students. He makes lessons interesting to them. He awakens the students and arouses their eagerness for learning. He makes them confident and proves them clever. He discovers the hidden treasure in each student. He also wants them happy. He keeps them busy at school and at home. His general nature is also good. So, a good teacher should have the necessary qualifications and professional training.

## Paragraph on A Good Teacher

**Question:** Write a paragraph on "A Good Teacher". Describe some of his personality, qualities, and his behavior with the students, his general nature, and how he helps the students with their lessons.

**Answer:** A good teacher is the possession of our society. He is sincere in his work. He should have a pleasing personality. He must be honest, dutiful, punctual, sincere, hardworking and a talented person, efficient in teaching or presenting his subject, amiable with the students, caring help, enterprising, and rich with current knowledge. A good teacher must always encourage learners to develop their latent talents. He also helps the students to understand their lessons and to develop their creativeness. A good teacher discovers the treasure hidden inside each student. He also wants the students useful and happy. He must be a dedicated soul. A good teacher is he who can attract the attention of the students to his personal character. He is, in fact, a friend, a philosopher, and a guide to

the students. Teaching is a noble profession and Bertrand Russell calls such kinds of teachers the guardians of civilization. He is honored and respected by all.

Or,

## Paragraph on A Good Teacher
