**Answer:** The annual prize-giving ceremony of a college is really exciting. It is the main attraction of a college. The annual sport of our college was held on the 15 January with mirth and enthusiasm. On the previous day of the ceremony, we decorated every corner of the college including the main building with colorful flags and festoons very tastefully. We did those under the instruction of some teachers. Sufficient sitting arrangements were made for the guests, teachers, and students. A band party was arranged to enhance the attraction of the sports. The programme began at 10 am with the running of the Olympic torch by a student of class XI. The national flag was hoisted and some pigeons were flown as the symbol of peace. Then our Principal took the salute of the march past. Then he declared the opening of the sports. The most remarkable events of the sports were 100 meters, 400 meters, and 800 meter races, javelin throw, putting the shot, discus throw, long jump, high jump, pole vault, hurdle race, cycle race, weight lifting, pillow fight, dress as you like etc. I took part in 100 meter race, long jump and cycle race and secured the first position in all the three. For each event, three competitors were selected. The local MP was the chief guest. When all the events were over, he distributed the prizes among the winners. All the winners also got certificates of proficiency. Then the chief guest delivered his meaningful speech and declared the end of the

ceremony.
