

# Paragraph on Bangladeshi Food

**Question:** Answer the following questions to form a continuous paragraph. (100 words)

Why do you like Bangladeshi food?

What are the foods of Bangladesh you like most?

What is your seasonal Bangladeshi food?

**Answer:** Bangladesh is my native land. I have grown up in this country enjoying its climates, foods and other things. From my early life. I am habituated to eating Bangladeshi food. It is a country of rice and fish. Being a riverine country, it has plenty of fishes which are very tasty to eat. Beef, chicken, and mutton are also available here. It is also a country of vegetables and fruits. All these items are very delicious and nutritious. So, I like Bangladeshi food. The foods I like most are banana, egg, cheese, prawn, hilsha, rui, milk, beef, vegetables. dal, rice, cake, pumpkin, cabbages, bean, etc. Meat, fish, and vegetables are also healthful. All these foods are nutritious. Among seasonal foods different fruits like mango, jackfruit, watermelon, blackberries, pineapple etc. are available in summer. Winter is famous for date juice. Various types of cakes are made in this Season.
