**Answer:** My father is a service holder, I spent most of my life in the town. It was my long days' desire to spend a summer vacation in the village. My uncle lives in the village. So, I went there to pass the last summer vacation. My uncle and other family members were very glad to see me. My cousin accompanied me all the time. Every day I got up early in the morning and enjoyed the fresh air of the morning. We roamed through the green fields, mango gardens, the riverside, village market etc.
