If you like to make a good friend, you should be conscious of certain things. First of all, watch the person very closely whom you want to make friendship with. Don't make friendship at first sight or at the first meeting. Find some qualities in him. The qualities are truthfulness, sincerity, punctuality, dutifulness, obedience, etc. Watch whether he is sympathetic or not. The person must be gentle, polite and friendly. He ought to obey his parents, teachers and elderly persons. He must not do any terrorist activities. He must be a patriot.
