

# Paragraph on Importance of English

**Question:** Answer the following questions to form a continuous paragraph. (100 words)

What do you think about the importance of English?

Do you think that a sound knowledge of English is necessary for a good job?

Why do you think so?

Do you think that English is a must for higher education?

**Answer:** English is now an international language. The world has now become a global village. The different nations have come close to one another and they have to make communicate with each other. For this communication a common language is necessary. And English has got that position of a global language. It is the official language of international organizations like UNO, ADB, World Bank, Olympic Committee, etc. More than 80% of all the information on the world's computers is in English. Many organizations need employees who have a good knowledge of English. So, for a good job, knowledge of English is necessary. Almost all the books in different branches of science and technology are either written or translated in English. So, English is a must for higher education and international communication.
