Answer: Daily routine or life means the routine, of the daily activities of a man. I am a student of class IX. As I am a student, I have a daily routine to follow. I usually wake up at a.m. Then I brush my teeth, wash my hands and face. Then I go out for a morning walk. After walking for half an hour, I sit to read. At am I take my breakfast along with my family members. After that, I start school at a.m. I attend my classes from 10 a.m to 4 p.m. Returning from school I wash my body and take my lunch. Then I take a rest till 5 p.m. At 5 p.m I go to the field to play with my friends. There I play for one hour. I come back from the field at 6 p.m and go to my reading room. There I keep myself busy in studies for 3 hours. Normally I take my supper at p.m. Then I watch television for one hour and finally go to bed at 11:00 p.m. On holidays I bring a little change in my daily routine. On holiday, I pass my time in making lessons. Sometimes, I visit my friends and relatives.
