

Paragraph on My Favorite Sport (Football)

Question:

What type of sport do you play?
Why do you like football the most?
What is the playground of that game like?
How is the game played?

Answer: Football is my favorite sport. It is also a famous sport all over the world. By playing football, we can keep our body strong, fit and flexible, to play football is a good exercise and good for health. It needs a spacious ground. The number of players needed for this game is twenty-two. There are two groups. Each group has eleven players. Each group has a goalkeeper. There is a center from where the play starts with the referee. He has the power to comment on right or wrong. The players have to maintain the rules of the sport. If any player disobeys him, he is disqualified and comes out of the playground. When the goal is scored supporters', joy knows no bound. Exciting claps are seen when a goal is scored. This play at first originated in England. Then it spread almost every nook and corner of the world. Its popularity is increasing day by day.
