

Paragraph on Our Family

Question:

How many members are there in your family?

What do they do?

What is a family?

What is your mother?

What does your mother do?

How old are you and what do you do?

How are your brothers and sisters and what do they do?

Answer: Our family consists of five members-my fathers, mother, elder brother, a little sister, and I. We are a happy family when live and affection binds us in close ties. My father is a schoolteacher. He is a respected man and people talk of him with due respect in our locality. Father is my spirit and inspiration to my work. Mother is warm and caring. She has a good hand in cooking very delicious dishes. My mother is an educated person. She knows the nutrition formula of cooking. She is highly intelligent and capable of running a family in a proper manner. She can manage easily a home, her husband two boys and a little girl smoothly. I am just a 14 years boy. Now I read in class8. My immediate elder brother is studying in Dhaka University. He is very friendly with me. He often tries to help in my studies. He is a talented one. Our sweet sister is now reading in class 5. She is very much earnable to all. She is also a cheerful flower of our family. All of us are happy because of peace and tranquility.
