

Paragraph on Your Aunt

Question: Write a paragraph on 'Your Aunt' answering the following questions.

What's the name of your aunt?

How old is she?

Is she a housewife?

How many children does she have?

How old are the children?

Does she have a maid to help her with household work?

What is her hobby?

Is she sociable?

Where does she live?

What does your uncle do?

Answer: The name of my Aunt is Tanjinara Akter. She has already crossed forty. She is a school teacher. She has only a son named Arpon. Arpon is eight years old and he reads in class three. My aunt keeps a maid to help her with household work since she remains busy in the school. She spends her leisure in the home. Her hobby is gardening. She works in the garden when she gets leisure. She is sociable and she keeps a good relationship with the neighbors. She lives in Faridpur. My uncle is a college teacher. He is very helpful to my aunt. My aunt is very affectionate to me and she is really a nice woman.
