

Paragraph on Your Hobby: Photography

Question: write a similar paragraph about your own Hobby.

Answer: I am Tanu and my hobby is photography. On my last birthday, my aunt gave me a camera. One day I put a spool of photographic film and took a few snaps. I found -it interesting and took a few snaps of my relatives, Then I gave the spool to a professional photographer. When I got the photographs from him, I had uncommon joy. Since then I have taken many photographs. When I look at them, I find great pleasure. My hobby is quite expensive. But money itself cannot bring me the joy that my hobby brings. Moreover, I acquaint my pen friends with the beauty of Bangladesh. I have a large number of the photograph of a few beautiful spots in the country and send copies of them to my pen friend. This also seems to be a delightful thing to do.
