

Paragraph on Your School Common Room

Question:

What is meant by common room?
How is your school common room?
What are the facilities?
What do the students do there?
How big is your school's common room?
Have any dailies in your school common room?
How did you avail them?

Answer: The school common room is a place where students spend their leisure time during off periods. We have a large common room in our school. It is housed on the ground floor of the annex building. The room is well furnished. There are dailies and weeklies in both Bengali and English on the news desks. There are radio and colored TV sets for the use of the students. There are arrangements for indoor games such as carom, chess, and table tennis. We play them whenever we have time. The common room is the place where we can meet our classmates and have chat with them. Therefore, the school common room is a place of attraction for us.

Or,

A School Common Room

A common room is a place where students take a rest, read the newspaper and play indoor games. It is the center of recreation. There are chairs, tables, and benches for students in a common room. Dailies, weeklies, monthlies, and other magazines are kept on the table in a common room. Students come here, read them and play in their leisure time. They also learn many things here. They discuss many things. A common room keeps fresh, live, and cheerful a school.

There are chairs, tables, and benches for students in the room. Newspapers, journals, and magazines are available here. In their leisure time, students play tennis, caroms, chess, etc. Having a common room in a school, students can properly use their time. Thus it gives us joy. It is a part and parcel of our school life. It is essential for students.
