

Paragraph on Your School

Question: Write a paragraph about “Your School” answering the following questions.

Where do you study?

Where is it located?

How many teachers and students are there in your school?

When does the school sit and break up?

What are the results of the Examination?

Answer: The name of our school is post office high school. It is a Motijheel in the city of Dhaka. About 3500 students read in this school and 40 teachers teach them sincerely. The school runs in two shifts morning shift and day shift. The morning shift begins at 7 p.m. and breaks up at 12 noon. The school is a two-storied pucca building facing the north. The school has a big playground. The result of the examination of our school satisfactory. It is, after all, an ideal school of the locality.
