

Short Paragraph on My Parents

Parents are the source of our life on earth. I have also parents who have been taking care of me since I was born. They are my best friends and well wishes. My parents are educated and quite well off. I am the only son of my parents. I have a little sister. My father is an engineer and my mother is a banker. They care for me very much. My mother takes care of my studies. Both of my parents are quite busy. They are very conscious of my education. My parents always wish that I may be honest, sincere, active, tolerant, and polite. They advise us in all respects very much. They pray for us and help us to make our life successful and hopeful.

Or,

My Parents

My parents are rich and educated. They are very dear to me. They are my best friends and well-wishers. I love them dearly and obey them with respect. They have brought me up with care and affection. My father read up to the degree level and my mother read up to the intermediate level. My father is the owner of a garment factory. My mother is a housewife. My parents maintain our family properly. We live in our house. My parents are trying their best to make us educated. My parents want us to be honest, active, hard-working, and useful citizens of Bangladesh. I am proud of my dear parents.
