

Short Paragraph on Our National Flag

Bangladesh is an independent country. As an independent country, we have a national flag. It is the symbol of our nation. Its length and breadth are in the ratio of 10:6. It is rectangular. It may be made of cotton, linen, or silk. The background of the flag is bottle green in color with a sun globe in the center. The bottle's green color stands for the everlasting freshness, youth, vigor, and vitality of our nation. The sun is the source of all on earth. Hence, the sun globe signifies that our nation is continuous and everlasting. The blood-red color of the national flag is a memorial of the endless sacrifice of our nation in the bloody liberation struggle. We are determined to hold the prestige of the national flag up. We are proud of our country.

Our National Flag

Question: Write a Paragraph about 'Our National Flag' by answering the following questions.

What does the national flag symbolize?

How does our national flag look?

What is its background?

What is the dignity of our national flag?

How do we feel when we look at it?

How can we uphold its honor?

Answer: Every independent country has a national flag. Ours is an independent country. So, we have a national flag. It is the symbol of our independence and sovereignty. The flag is our pride. We have got it in exchange for a sea of blood. It is rectangular. Its size is 1:6. Our national flag is hoisted in government offices and educational institutions. The flag is kept half-mast on our national mourning days. The national flag has two colors, green and red. The green is the symbol of youth, freshness, and the vigor of our nation. On the other hand, red is the symbol of the blood for which the country is free. It is also a symbol of inspiration. We bow down our heads before the national flag. The flag is our dignity. Now we must uphold the honor of the flag by doing something noble for our country.
