

Report On the Beginning of the HSC Examination

Question: A report on the beginning of the HSC examination.

HSC Examination Begins Tomorrow

Answer: Staff reporter, Dhaka, 21 April 2018: HSC examinations under seven education boards and technical education board begin countrywide tomorrow. Preparations have been taken to conduct the examinations properly and smoothly.

About five lacs and seventy thousands of candidates are sitting for HSC examination this year. Among them, about 1 lac and 75 thousand examinees are from Dhaka Board. Fifteen thousands of candidates will appear from Technical Board.

Securities have been tightened in the examination centers. Authorities have asked all concerned to hold the examination peacefully and in the copying-free environment. Invigilators have been directed to maintain the instructions strictly. The examination will continue for about a month.
